The background of the image is a photograph of the interior of Antelope Canyon. The walls of the canyon are composed of smooth, undulating sandstone that has been eroded into flowing, wave-like patterns. The lighting is dramatic, with a bright light source from the right creating a strong gradient of colors from deep red and purple on the left to bright orange and yellow on the right. The word "Quarzit" is centered in the middle of the image in a white, sans-serif font.

Quarzit
